Defendant(s).)

The parties to the above-entitled action hereby stipulate to the following:

- 1). The Court has ordered that by today September 7, 2017, parties are to either file a case management conference statement or dismissal of the action pursuant to settlement.
- 2). The parties represent to the Court that Relators and Defendants reached an agreement on the language of the settlement agreement on August 23, 2017, at which time counsel for Relators transmitted the agreement to the deputy U.S. attorney assigned to this case for approval by the United States. That deputy U.S. attorney advised that the final decision on the agreement would

1 have to be made by a HUD employee who has been out on vacation though September 5, 2017.
2 Thus, parties anticipate that they will know if the United States approves of their written
3 agreement very soon.

4 3.) Thus, the parties stipulate that the Court should continue the case management
5 conference currently scheduled for September 14, 2017.
